

PETER RABBIT™ ORGANICS

Allergen Statement for

100% Pure Fruit Snacks and Veg & Fruit Blends

All of our products are allergen free:

- Apple and Grape
- Mango, Banana and Orange
- Strawberry and Banana
- Peach and Apple
- Sweet Potato, Corn and Apple
- Carrot, Squash and Apple
- Pea, Spinach and Apple

What is or isn't in our products?

- Our products are free from MILK, WHEAT, SOY and CORN GLUTEN
- All of our products do not contain any nuts, or ingredients derived from nuts
- None of our ingredients in the products listed above are considered to be a 'major food allergen' as defined by the United States *food Allergen Labeling and consumer Protection Act of 2004*. The major food allergens are commonly referred to as 'the big eight' including eggs, milk, fish, Crustacean shellfish, tree nuts, wheat, peanuts and soybeans.

What is also produced in our factory, located in Oregon, USA?

- Our products are produced in a nut-free facility.
- All products are produced on a line that also produces products containing MILK, WHEAT and SOY, as well as CORN GLUTEN which may cause sensitivity in people with Celiac Sprue disease.
